We plan to open a Pre-loved uniform shop at the start of July running from 9.30-4pm daily at the foyer/front doors

(dates below)

5th July - 8th July

18th July – 29th July

We would ask for donations of any pre-loved school uniform to be left at the school office before Monday 4th July if possible. Any donated items should be freshly washed and in good condition.

The aim of this is to help parents purchase uniform at a heavily discounted rate and is an eco friendly way of discarding unwanted clothes.

Suggested prices will be displayed beside items and any donations raised will be given to charity.
